CHAIKOVSKYI YURI BOHDANOVYCH

June 29 marks the 70th anniversary of the birth of Corresponding Member of the National Academy of Medical Sciences of Ukraine, Doctor of Medical Sciences, Professor Yuri Bohdanovych Chaikovsky.

The Scientific School of Neuromorphology, created together with numerous students and followers and headed by Yuri Bohdanovych, has gained a high rating in Ukraine and abroad. Yu. B. Chaikovsky trained 5 Doctors and 24 Candidates of Sciences. He actively participates in international congresses with personal reports, organizes congresses of morphologists of Ukraine, heads the Scientific Society of Anatomists, Histologists, Embryologists and Topographers of Ukraine, in which he is President for 19 years in a row, participates in the editorial boards of many scientific medical journals.

As a scientist, Yu. B. Chaikovsky is distinguished by purposefulness, scientific erudition, and organizational skills. His scientific developments are characterized by fundamentality, modern methodological level and applied value.

The creative work of the scientist consists of more than 600 scientific papers, 27 patents, 3 textbooks and 9 monographs. Yuri Bohdanovych performed a great deal of administrative work: during 1994-2000, he was the Vice-Rector for International Relations of the Bogomolets National Medical University, from 2000-2011 – Head of the Certification Department of the SAC of Ukraine, from 2012 to 2015 – Vice-Rector for Research of the Bogomolets National Medical University. He is a member of the Specialized Scientific Council on morphological specialties at the Bogomolets National Medical University.

In 1996, Yuri Bohdanovych received the State Award of Ukraine in the field of Science and Technology. Later there were other awards: the Award of the Academy of Medical Sciences of Ukraine, 2001, the honorary title of Honored Worker of Science and Technology of Ukraine, 2001, the VP Comisarenko Award of the National Academy of Sciences of Ukraine, 2010.

Dear Yuri Bohdanovych, accept sincere congratulations on your 70th anniversary from the editorial staff! We wish you good health, creative success and talented followers!
